

## Welcome Back to the Caribou Country Club!

Our club is celebrating its 50th anniversary this year and your board would like to say a huge "Thank You" to all supporters. We are looking forward to the next 50 years of your continued participation. Keep an eye out for 50th anniversary social media postings and updates.

At this point we plan to open for play the first week in May, weather permitting, and will be continuing with RSVP tee times, which worked so well last year. Also, please remember to sign up early and often for the various golf leagues/events in the Pro Shop. Our club house manager, Jane Umphrey, along with Jen Crawford and Suzie Corriveau will fortunately be returning to help keep all of us organized!

Longtime pro shop employee, golf legend, rules expert, and all 'round good guy, Roland Duprey has retired and will be focusing on his golf game this summer. If you see Roland this summer, please thank him for his many years of dedicated service.

We are also fortunate to have our greens crew of Mike Gagnon, Bob Roy, Rick Umphrey and Steve Gagnon back and already working to make our course enjoyable to play. Please respect and support their work by staying on marked cart paths and by lending a hand as needed or requested.

We are working hard to diversify and increase our membership! One example is that the board has agreed to support new recommendations provided by our Youth Committee. These involve new membership rates, instructional programs, as well as new youth representation on our board. We firmly believe and ask you to support youth on our course as this will allow us to be here another 50 years as well as keeping our overall membership rates reasonable into the future.

Watch for regular CCC updates on various media platforms as Jen Crawford has agreed to help our club better communicate with our members and the public. Please reach out to her by e-mail [jcrawford@rsu39.org](mailto:jcrawford@rsu39.org) or text her at 207-496-0710 if you have CCC news to be shared.

We could use additional range balls, primarily for youth programs - if anyone has spare range balls to donate please drop them off at the Pro Shop - Thanks!

Mary Umphrey and the Memorial Committee are coordinating a rebuild of our Memorial Garden. The new design will include memorial bricks engraved with the names of deceased CCC members. The list was compiled from our records book because a donation was made in their memory. Bricks will be ordered in their names and paid for by our Memorial Fund. See attached list.

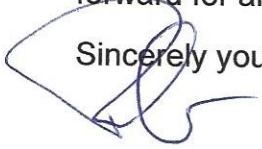

If you are interested in purchasing an engraved brick for a deceased CCC member not listed, please make a check payable for \$25.00 to the CCC Memorial Fund **before May**

**1, 2021** and send it to Mary Umphrey at 62 Pioneer Ave. Caribou, Maine 04736. After May 1, 2021 the bricks may still be ordered and placed in the garden annually at market cost.

Thanks to everyone that took advantage of our early membership payment discount, as this really helps our cash flow and planning. Remember, all dues must be paid before participating in golf events.

In closing, please take a moment this summer to "Thank" our Pro Shop staff, grounds crew, board members, and community supporters for helping to keep our club moving forward for another 50 years!

Sincerely your President,

Rob Kieffer
