

Caribou Country Club

Scramble Format - Team & Tee Options

Tee options will be broken out into 3 flights:

- Men's Only Teams: Play White/Blue

- Ladies Only Teams: Play Red/Gold
 - o There is the option to move up to the White/Blue flight to enter into that prize pool.

- Mixed Teams: Men will play White/Blue & Ladies will play Red/Gold
 - o There is the option to move up to the White/Blue flight to enter into that prize pool.

Any prize pool money will be split proportionally by the number of teams entered into each flight.

Example:

- 60 Players resulting in 15 teams. If 12 of the teams are men only teams, 2 mixed teams and 1 ladies only team.
- The 12 men only teams equate to 80% of the field. Thus 80% of the prize pool will be allocated to the men's flight.
- The 2 mixed teams equate to 13% of the field. Thus 13% of the prize pool will be allocated to the mixed teams flight.
- The 1 ladies only team equates to 7% of the field. Thus, 7% of the prize pool will be allocated to the ladies only flight.

Any additional contest (closest to the pin, longest drive, etc...) prize money will be split proportionally.

- Example: 60 Players consisting of 50 men and 10 ladies. The men occupy 83% of the field and the ladies occupy 17% of the field will result in 83% of the closest to the pin prize money being awarded to the winning male player and the 17% awarded to the winning female player.
